A scene featuring two stylized, clay-like figures on a textured purple surface against a dark blue background. On the left is a small, rounded orange figure with two simple black dots for eyes. To its right stands a taller, pear-shaped pink figure wearing a black crown with three spikes and having two large white pom-poms for eyes. Behind the pink figure is a wooden easel holding a blank white canvas. A yellow banner at the top contains the text "got any ideas lil dude?".[illegible]
