

Hippo On Elm Street

Baby, it's cold outside. All you want to do is snuggle up in a warm sock and take a nap. But something seems to be going on in the house, and you're determined to find out what it is.

Hippo on Elm Street is a short, adorable text adventure in the style of the old Infocom games. If you need help getting started, check out the included *if-for-beginners.pdf*.

There are two ways to play this game: You can play it inside your browser by opening *play.html*. Or you can use a Z-machine interpreter to play *hippo-on-elm-street.z8*.

Interpreters exist for pretty much every platform, including Windows, MacOS, Linux, Android, and iOS. You can find a list of recommendations at <http://www.ifwiki.org/index.php/Interpreter>.

If you like this game and would like to play more interactive fiction by Adri, check out the URL below!
