The Lover

You fell from a perfect chorus, a lonely soul trying to find something to belong to again. All that remains is the heart beating in your chest, full of love and starving for more. You take your refuge in the arms of others, and you know the real thing is out there, waiting.

CHOOSE A NAME

Cass, Izzy, Kira, Remi

CHOOSE A LOOK

sleepless eyes, teary eyes, passionate eyes, bright eyes, naive eyes

high scars, stick-and-poke tattoos, wrist scars, elaborate tattoos, scars only a lover could find

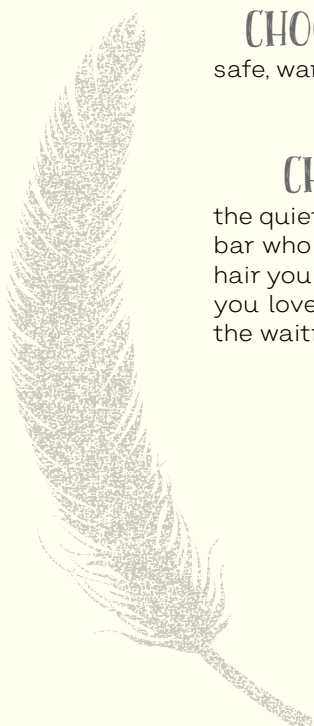

Tell us what your wings looked like.

CHOOSE WHAT YOU REALLY WANT TO FEEL

safe, wanted, beautiful, whole, claimed, remembered

CHOOSE 2 PEOPLE YOU'VE FALLEN FOR

the quiet tattoo artist who somehow gets it, the cute guy at the bar who almost believes your story, the sad girl with the dyed hair you ran out on in the middle of the night, the photographer you love to pose for, the painter whose work makes you cry, the waitress who always has stories to tell

CHOOSE ONE TO ASK LEFT

Why don't you want us to get closer?

What happened that time I kissed you?

TIPS

Don't be shy with your love. Fall for people like you don't remember what heartbreak is.

Push other character's boundaries, but be mindful of other player's.

Make your character fallible and relatable.

STRONG MOVES

- Let yourself be loved.
- Ditch your anxieties.
- Fall out of love.
- Dry their tears.
- Steal a moment, apart from the world.
- Ask, "What do you love?"

REGULAR MOVES

- Take action, leaving yourself vulnerable.
- Fall in love.
- Speak to romantic ideals.
- Let yourself be held.
- Reassure with a gesture of intimacy.
- Ask, "What do I mean to you?"

WEAK MOVES

- Tell someone kind lies.
- Make it about you.
- Think you're closer to someone than you are.
- Cave to your lover's wishes.
- Beg to be touched.
- Ask, "What do you want from me?"

YOU ALSO PLAY THE
VIBRANT FLOCK

We're not alone, for better or worse; the world is full of people, all with their own heartbreaks and victories and vivid colors. To be an angel among the flock is strange, humbling... and to not be alone, for the first time.

It's the hardest thing in the world to reach out.

CIRCLE 2 DESIRES:

a celebration of our differences, to prove we were here, stories to trade, family, to create something new, forgiveness, voices to sing alongside, to make an impact

TIPS:

- Show people that need the angels as much as the angels need them.
- Remember that people are beautiful and flawed and worth celebrating.
- Ask compelling questions and build on the answers that others give.

PICK UP WHEN:

Someone lets down their walls and risks letting another into their life, if just for a moment.

GIVE AWAY WHEN:

You realize you can't do this alone, and that's okay.

MOVES:

- Give a normal person a name, a story, and a chance.
- Have someone fuck up in a very human way.
- Believe.
- After each move, ask "what do you do?"
