

Blue Flamingo

Pet

At end of your turn, gain 2 Health

Your faithful feathered friend "tends to your wounds" by regurgitating a fish into your mouth. Look, that's all it knows how to do.

Saddlebags the Burro

Pet

Draw one extra card from the Arsenal at will. Once you do, discard this card.

Your trusty steed "Saddlebags" is here to ensure you have access to your arsenal when needed. He'll allow you to draw one extra card before running off into the desert sunset.

Boris the Bear

Pet

Reduce incoming Damage by 1 and deal 1 Damage back when attacked.

6 feet tall and weighing in at over 1,500 pounds, this faithful ursine companion will soak up your enemy's attacks with gusto while also striking back at them.

Flappy the Bat

Pet

Gain 1 Health whenever you deal Damage

Flappy the Bat just wants you to be happy; but he'd settle for your opponents' blood.

Rum Jug

Item

Add 2 to your Damage, but suffer -2 to your next Attack roll

"Liberated" from Captain "Red Eye" Pilkington, the Rum Jug often accompanies 1) Pressing ganging enemies of the Crown, 2) Belting out shanties, and 3) Getting blitzed. (Not necessarily in that order.)

Laughing Gas

Item

Reduce next incoming Damage by 1d6

It might just be the goofy mask, but you think it's pretty hilarious that they're about to yank the teeth right out of your head.
