

# HIGH FRUCTOSE HYPERSPACE

NUMBER TWO  
SUGAR PLUM SYSTEM  
BY IAN WOOLLEY

## COMFIT ARBORIST - BACKGROUND

You are a displaced or disaffected arborist from a distant sphere where hard candies grow like fruit on massive groves and orchards of gingerbread trees. Beneath your shaggy fur and fearsome countenance lies a gentle arboriculturist. Beneath that arboriculturist simmers a powerful rage. Where does it stem from?

### POSSESSION

Shaggy Fur (counts as lightly armored)  
One large apricot encrusted with sugar (administer for +1 to healing)  
Sack of 1d6 provisions worth of large jawbreakers  
Spade  
Billhook  
Burly Paws (damage as modest beast)  
Gilded Spun Sugar Cage with a Sugar Plum Fairy

### ADVANCED SKILLS

3 Climbing  
3 Wrasslin'  
2 Arboriculture  
2 Tree Fighting  
1 Digging  
1 Secret Signs - Fairies

## COMFIT ARBORISTS - NPC

These squat furry troll-like people are the second most widely spread folk on the Sugar Plum Sphere, rivaled only by sugar plum fairies. They are possibly the only folk in the Candy Sphere made of meat. While they are collectively called arborists, that is a superficial take.
