ITEMS

GLASS EYE remove "pierced eye" condition 	FAKE BEAK remove "crooked beak" condition 	IDENTIFYING EYE you can see another player's bet 	PEG LEG you look like a pirate's parrot. That's it. Looking fly is already a bonus. 
MYSTERY KERNEL the DM tells you a number of kernels that aren't in the current AC 	HARD BREAD when you use this, make a bet without kernel. Your bet is worth 2k. 	HUMAN THUMB it really does nothing, unless you need biometric data... it's creepy as hell 	RUSTY KNIFE if you resolve to violence, your bet has a bonus of +3k but you lose one finger 
BOTTLE CAP use it as an helmet. It defends you from 1 penalty 	BEANS CAN defends the flock up to 3 penalties but you can't fly 	POPCORN the best pop is the corniest! It counts as an extra kernel in your bet 	COIN Toss a coin to your DM and get kernel of plenty (+3k.) 
SHURICAN pull cap of a can: use it to hit a target, your bet has bonus of +2k 	USED CONDOM use it as ghost disguise. Everyone loses their sh*t and their items. All PC get new items 	SMELLY SOCK use it to cover your track. Make 2 bets, one with each hand. After the AC is shown, pick one 	FIRE CRACKER fire some sh*t up. Your bet is worth 5k. Give 2 random conditions to other PCs 
EARPHONES entangle a creature decreasing the AC difficulty tier. 	CHEAP SHINY RING wear it as a collar. Sell it to a PC. In return you'll receive their item. The ring is discarded and that PC gets another item. 	SANITARY TOWEL this works as a parachute or a snowboard or whatever 	SHADY CLOTH you skip betting this turn
