HOT GAY BRO DRAGONS

BRO, HE'S YOUR WHOLE WORLD. HE MAKES YOU FEEL FABULOUS. HIS BODY IS SMOKING HOT, AND WHEN YOU LOOK INTO HIS EYES THEY SPARKLE LIKE GOLD.

HE'S A DRAGON.

SO ARE YOU.

YOU'RE IN LOVE.

THIS IS HOT GAY BRO DRAGONS, A GAY GAME ABOUT TELLING YOUR BOYFRIEND YOU LOVE HIM.

INTRODUCTION

A quick note before we begin, you don't have to be a boy to play this game, and if He/Him/His pronouns make you uncomfortable you have my permission to change them. If you're not a boy but you want to be for this game to see how it feels, you don't need my permission for it, but you have it anyway.

This game is about hot gay bro dragons who love each other and who love telling each other how much they love each other. In theory you could do other things with this game included, but not limited to, sad stories, arguments, or anything that's a bummer. Please don't do that, but if you do, consider the warranty on this game broken. If you break the warranty on this game, you owe me \$5. This is the only rule of the game I'm firm on.

This game works best with two boyfriends, however don't let this stop you if you want to play a polycule of hot gay bro dragons. You hold in your sexy claws the keys to your own lair, and it is not my job to tell you what your treasure is.

Speaking of treasure, gather a bunch of shit you love together in a big pile. I can't tell you what your treasure is, but if you have a bunch of coins or dice or tokens or whatever those work well.

SOME RULES QUICK, BRUH

SO HERE'S HOW THIS WHOLE THING WORKS, YOU'LL LEARN ABOUT YOUR RELATIONSHIP AS YOU PLAY, AND WILL "BUILD" YOUR DRAGONS AS YOU GO. YOU WON'T BE TELLING A "STORY" AS MUCH AS CREATING MOMENTS OF YOUR LIFE TOGETHER. IF THOSE MOMENTS CARRY A CENTRAL PLOT THAT'S FINE I GUESS, I CAN'T STOP YOU. YOU'LL HAVE A SERIES OF QUESTIONS TO ANSWER IN THE FORM OF MULTIPLE CHOICE OPTIONS. LET'S LEARN HOW TO PLAY TOGETHER WITH OUR FIRST QUESTION. EACH PERSON PLAYING SHOULD ANSWER THIS ONE:

HOW BIG OF A DRAGON ARE YOU? TINY, SMALL, BIG, OR HUGE?

QUESTIONS

Depending on your answer, there will be follow-up prompts for you to tell your partner(s) about things you love about your relationship. For example:

If you chose Tiny, tell your boyfriend about how you feel when he holds you safe in his claws.

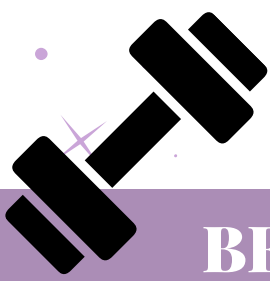

If you chose Small, tell your boyfriend about how you feel when he kisses the top of your head.

If you chose Big, tell your boyfriend about how you feel when he rests his head on your stomach when you lay together.

If you chose Huge, tell your boyfriend about how you feel when you hold him safe in your claws.

When you are speaking, lean in to the emotions, and use larger than life metaphor. Think about your lives as dragons and what that life would be like for your relationship. For example, maybe you have a magic mirror which shows you your greatest desire and you use it to take selfies with your boyfriend when he's away from the lair.

When you are listening, listen actively. Respond to the stuff you like by saying things like "Bro!", "Bruh!", "Oh my god bro", "I love you buddy", "You're my everything" and other such.

BE EXCELLENT TO EACH OTHER

IF ANYONE SAYS SOMETHING YOU DON'T SUPER LOVE, SAY "HEY I'M NOT SUPER IN LOVE WITH THAT!" IF ANYONE TELLS YOU THEY DON'T SUPER LOVE SOMETHING, THAT'S THEM HELPING YOU MAKE THE BEST MOMENT OF YOUR LIFE TOGETHER AND IT'S AN OPPORTUNITY TO GIVE YOUR BOYFRIEND SOMETHING THEY CAN TREASURE. THANK THEM FOR THE GIFT OF KNOWLEDGE AND TRY SOMETHING ELSE!

IF YOU HEAR SOMETHING YOU REALLY REALLY SUPER LOVE, GIVE A PIECE OF YOUR GATHERED TREASURE TO THE SPEAKER AS A REWARD.

PUNDERFUL

While speaking, you are encouraged to make as many fine-tastic puns and bad jokes as possible. Find ways to work "bro" into words like "bruh i love how you polish your teeth, the light in here makes them bro-lliant" or "buddy I got us a bottle of bro-sé for our date tonight". Apply this to other things, too. If you can say things like "I had to hide all our statues 'cuz you're so smashing, bro" or "I immolated that pesky knight outside but even he's not as smokin' as you buddy" you're golden. Actually, hell yeah, if you're listening and hear good shit like this, give them a piece of your gathered treasure.

I think that's all the rules, but if you need to make more, go ahead. I'll leave some space on this page for you.

QUESTIONS 1 / 2

How big of a dragon are you? Tiny, Small, Big, or Huge?

If you chose Tiny, tell your boyfriend about how safe you feel when he holds you.

If you chose Small, tell your boyfriend about how you feel when he kisses the top of your head.

If you chose Big, tell your boyfriend about how you feel when he rests his head on your stomach.

If you chose Huge, tell your boyfriend about how you feel when you hold him.

What is your Treasure? Gold, Bottle Caps, Recipes, or Stuffed Animals?

If you chose Gold, give your boyfriend a shiny gift, something once worn by royalty.

If you chose Bottle Caps, share a beer with your boyfriend, a cold one to crack open on a hot day.

If you chose Recipes, it's grillin' time bro! Make your boyfriend your favorite food.

If you chose Stuffed Animals, cuddle up with your boyfriend after a long day of protecting your hoard from knights errant.

What are your wings like? Strong, Feathered, Metaphorical, or Bony?

If you chose Strong, tell your boyfriend about your favorite place to fly together.

If you chose Feathered, tell your boyfriend about why you love to preen before you go out on dates.

If you chose Metaphorical, tell your boyfriend about how he makes your heart soar.

If you chose Bony, tell your boyfriend about how good it feels when he scrubs them clean.

Where is your lair? Olde Forest, The Mountains, Underwater, or The Void?

If you chose Olde Forest, tell your boyfriend about how your neighbors said you two were totally cute at the Solstice party.

If you chose The Mountains, tell your boyfriend about a cool hot spring you want to take him to, just over the next crag.

If you chose Underwater, tell your boyfriend about the gorgeous sunset you saw after your last date night.

If you chose The Void, tell your boyfriend about a gift you pulled out of a black hole for his birthday present.

QUESTIONS 2 / 2

Why do the knights pester you? Treasure, Expansion, Decree, or Adventure?

If you chose Treasure, thank your boyfriend for protecting something small that means a lot to you.

If you chose Expansion, tell your boyfriend about a lair improvement idea that you think he would love to work on with you.

If you chose Decree, tell your boyfriend about how silly the knights are and share a laugh about their wasted life.

If you chose Adventure, find a vacation destination that you and your boyfriend can travel to next summer.

What do your horns look like? Curled, Spiraling, Cracked, or Antlers?

If you chose Curved, tell your boyfriend about how sexy you feel when he grips them like handlebars.

If you chose Spiraling, tell your boyfriend about how only he can decorate them right for the upcoming gala.

If you chose Cracked, tell your boyfriend about how good it feels when he rubs ointment into them.

If you chose Antlers, tell your boyfriend about something he said the other day that made you feel regal.

How do you work out? Gym, Running, Slaying, or Swimming?

If you chose Gym, tell your boyfriend about how you sweat when his muscles bulge.

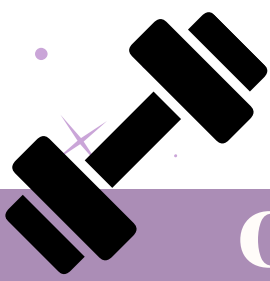

If you chose Running, tell your boyfriend about how he makes your heart race even when you're not working out.

If you chose Slaying, tell your boyfriend about how good he looks slaying intruders.

If you chose Swimming, tell your boyfriend about how the water runs off of his scales like glimmering stars.

If you want to keep playing, make up your own questions!

Think of an aspect of your life together with your boyfriend, what are four possible options? For each option, think about something you could tell your boyfriend that is small, contained, and specific about your love for him. The joy of these details is not in hearing them, but giving them, so focus more about how your answer brings you joy than on how your boyfriend feels about hearing about himself. Write these options and questions down for you and your boyfriend to choose and answer.

COOLDOWN TIME BABE!

YOU CAN STOP PLAYING ANY TIME, BUT WHEN YOU DO, TAKE A MOMENT TO READ OVER YOUR CHOICES. THINK ABOUT THE TWO (OR MORE, I DON'T KNOW HOW YOU LIVE) DRAGON BOYFRIENDS YOU CREATED AND THEIR LIFE TOGETHER.

THEN, GRAB A DRINK WITH YOUR FRIENDS. YOU CAN THINK ABOUT THESE DRAGONS AT ANY TIME IN THE FUTURE BUT YOU DON'T HAVE TO. GO ENJOY THE REST OF YOUR DAY.

I'D LOVE IT IF YOU COULD TWEET ME TO TELL ME ABOUT YOUR HOT GAY BRO DRAGONS. I'M @LEVIATHANFILES.
