

RAINBOW WORLD THE PEANUT BUTTER PLANET

A supplement for "Rainbow World" that uses Reese's Pieces candies in place of the usual Skittles. Just use the following events table instead of the usual one!

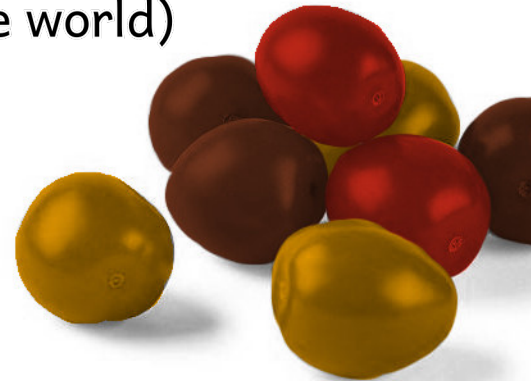

BROWN represents **NATURE**
(anything caused weather, animals,
or other forces of nature)

ORANGE represents **CIVILIZATION**
(anything done by the intelligent
species of the world)

YELLOW represents **WEIRD**
(anything related to supernatural,
alien or other forces not native to or
understood by the world)

For more healthy fun, the same table above be made can be modified to work with three-colored cherry tomatoes or mini bell peppers!
